

Commonly asked Ranch Questions

Does my insurance cover barn fees?

No. Barn fees are not covered by insurance.

How much does it cost?

The cost depends on how many therapies you get and how many days you attend.

Barn Fee/Schedule

1 Therapy Discipline 2 Sessions per week	2 Therapy Disciplines 4 Sessions per week	3 Therapy Disciplines 6 Sessions per week
\$40.00 per week	\$70.00 per week	\$100.00 per week

What if I can't afford the barn fee?

We recently held a horse show fundraiser that raised funds to offset the costs of the barn fees. Our association members are in the process of creating and approving a method that will determine how scholarships are awarded. We will not have any scholarships for this fall, but please have the office put your name on the **Spring** Ranch list for possible financial assistance.

Where is it? Do I have to drive there?

Yes, you do have to drive there for drop off and pick up just as you would at the clinic. The ranch is located at 410 Ford Rd in Royal, AR, which is off Sunshine Rd near Lake Hamilton School. You are not required to stay on the property during therapy. There is a sitting area to observe, or you may sit in your car.

Can I come with my child/family member to the therapy areas at the ranch?

No. There is an observation area. Our main concern is safety and privacy. We have a trained staff that ensures the safety of all people while working around the animals. Additional people can cause spooking or distractions to animals, persons served, and the staff, and this is a risk we cannot take. Thank you for understanding.
